Hybrid Web Developer
- Worked on multiple revision based on HTML/CSS, WordPress, Webflow, Next.js
- Have Completed more than 30 projects
- worked under great pressures, large projects, and short deadlines.

My Hobbies
When I'm not coding, you'll often find me exploring the world of gaming, where I enjoy both playing and analyzing game mechanics. Gaming helps me sharpen my problem-solving skills and creativity, which I apply in my coding projects. I also enjoy working on personal coding challenges and side projects to continuously refine my skills and experiment with new technologies.
